CAREER OBJECTIVE

Highly skilled and motivated web developer with 5 years of hands-on experience in crafting dynamic and user-friendly web applications using HTML, CSS, JavaScript, and jQuery. Proficient in PHP with a recent proficiency boost in React.js and Node.js technologies. Seeking a challenging role where I can leverage my technical expertise and passion for front-end and back-end development to contribute innovatively to a dynamic team and drive impactful digital solutions. Committed to continuous learning and staying abreast of emerging technologies to deliver cutting-edge solutions that enhance user experiences and drive business growth.
